

Press Release

Videor Art Foundation is presenting young artists of the Oswald-von-Nell-Breuning Europaschule in Rödermark

Rödermark, in October 2010. With numerous visitors the mayor of Rödermark, Roland Kern, patron of the exhibition „Malerei meets Fotografie“, opened the show in September 2010.

From the desire for advancing young talents of a regional school, the Videor Art Foundation presents special works of ten young artists from the sixth grade in cooperation with the Nell-Breuning Europe School Rödermark.

Public-Award 2010

The exhibition is combined with a public award - up to last week the visitors had the possibility to evaluate the original works presented. The mayor Roland Kern, the honoured ex mayor Alfons Maurer as well as Marcel Subtil from the honorary office sports and culture of the district Offenbach voted accordingly.

On 26.10.2010 the young artists with the best three works were awarded from the Videor Art Foundation in the ComCenter of Videor.

Prize winners

The 1st. prize was awarded to Semra Bulgan, Rödermark, for „Der Schwarze Mann“ 2010. Her work will be part of the VIDEOR multi artist concept. Thus the motive will be displayed on at least one first-class advertising media. The 2nd. prize was given to Cecilia Mehrhof, Rödermark, for her works „Himmelstor“ 2010 (Amazon gift certificate), the 3rd. prize was awarded to Nicolas Fauvé, Rödermark for „Augenblick“ 2010 (Amazon gift certificate).

Project

Everything started with the own photographs of the kids under the custody of Hanna Hüttner, head of art at the Nell-Breuning School. The next step was the alienation of the motives at the computer. After that they were printed on canvas and mounted on an Aluminium plate. Finally the pupil of the 6th grade could wip their brush, let their creativity out and made their works become something real special by pictorial treatment. Cause it´s this combination the young artists especially fascinated.

The creative works can be seen until February 17, 2011/ Monday–Thursday from 9 am -5.30 pm and Friday from 9 am – 5 pm.
